

Week 4

March 7

Labor exploitation is often tied up in sustaining our current levels of consumption. Take the Human Slavery Footprintsurvey at (slaveryfootprint.org). Consider ways to decrease your participation in modern-day slavery.

March 8

Do you know what watershed you live in? Find out, explore, and consider connecting with a local watershed stewardship organization:

March 10

Refugee displacement and hunger relate to damage to God's creation. Spend some time reflecting on how issues of care for God's creation relate to your faith community's anti-hunger, peacemaking, and refugee resettlement ministries.

March 11

Learn where your food comes from. Explore the Christian food movement to learn how Christians across the country are making a difference through food:
www.christianfoodmovement.org

March 12

Say a prayer for God's threatened and endangered creatures. Consider sharing an Endangered Species coloring book for children to color during worship or Sunday School:
fws.gov/nativeamerican/pdf/endangere-d-species-coloring-book.pdf.

March 13

Do a "water fast" by turning off water while brushing your teeth, and flushing your toilet half as often. Around the world, many people have access only to the amount of water each day that Americans use in one toilet flush.
